SIRO BADON RESIGNS AS ASSOCALZATURIFICI CHAIR

Milan, 27 July 2022

Siro Badon submitted his resignation as Assocalzaturifici Chair yesterday. Elected in June of 2019, he has resigned his post for personal and professional reasons as a result of his workload in his company, which prevents him from continuing to guarantee constant availability for the association. Badon, who thanks his staff for their hard work, has led Assocalzaturifici through a difficult time affected by the consequences of the pandemic that has had such a huge impact on the footwear industry.
